

Professional Dog Groomer for all breeds

Give them the treatment they deserve

Professional Grooming Services

Does your dog show signs of stress when going to the groomer?

Start them off on the right paw by establishing a loving relationship with a **caring individual!**

- We provide **one on one** grooming for your dog
- No Crating**- except when two or more dogs from the same household come in to get groomed together
- No overlapping appointments** -during your appointment, only your dog will be attended to
- Shedless treatment** available- reduces shedding 60-80%
- Professionally trained** dog groomer- view the before and after photos on our website
- One person handling your dog**- doesn't get passed around from person to person
- Calming environment** with soft music and no other barking dogs
- We use **soft water**- our water is treated and this helps us achieve a cleaner and shinier coat for your dog
- Servicing the Hamilton, Dundas, Ancaster, Burlington and Grimsby area**
